

Memory Book Club 2016-2017

Application for Participation

Discovery Middle School

Janis Aseki, Advisor

Student Name _____ Grade _____

Students who participate in Memory Book Club will need to show strength in writing, organization, following procedures, and working as a team player as well as an independent self-starter. Meeting deadlines and following specific instructions will be essential to the production of the 2016-2017 Discovery Yearbook.

If selected to Memory Book Club, a year-long commitment is expected. Attendance to all meetings will be required to remain in the club. Absences must be excused, and if more than two absences occur, the student will be dismissed from the club and the position will be filled with a new student. A waiting list will be established from original applicants who did not make the first draft due to size limitations (limited to 10 students). Please consider other before school and after school commitments before applying to Memory Book Club (i.e. sports, band, orchestra, intramurals, and activities). Belonging to the Memory Book Club is demanding and it will require time after school and possibly during lunches depending on deadlines.

The regularly scheduled times for Memory Book Club to meet will be Tuesday and Wednesday afternoons from 3:30 p.m. – 4:30 p.m. On occasion, layout and edit work will be expected to be completed during lunches. Transportation will NOT be provided and you will need to be picked up promptly at 4:30 p.m. The purchase of the 2016-17 ASB Card (\$10) is also required.

Student Signature agreeing to follow the expectations of this club: _____

Parent Signature giving permission for the above student to apply for Memory Book Club, and agreeing to the expectations set for this club: _____

Email Contact:
